Dear Ms. Seger and C2C Volunteers,

I would like to send a note of thanks to you for your hard work and dedication to Crayons to Classroom. I am so grateful for all the supplies I was able to receive on visit to your facility. You and the volunteers were so helpful and loving that I felt like I was with a group of friends. All of the supplies will be used for a long time within my classroom. I was finally able to receive a dictionary and thesaurus for the classroom. They are so expensive and my students really need to gain skills in using these two reference tools. Once again, I am so grateful for you and the volunteers' hard work and thoughtfulness in providing supplies for classrooms in need. I hope you enjoy reading thank you letters from my students. All the supplies I stocked up on will be used to complete art activities and even support our day-to-day activities. Thank you again for everything.

Sincerely,

Bess J. Nichols
