

Dear Ms. Seger,

I would just like to express my gratitude to you. I am extremely appreciative of your generous contributions to Crayons 2 Classrooms. As a new teacher there are many things that I am in need of and C2C was a wonderful way to gain supplies for my classroom and students.

The majority of my students come from diverse backgrounds and their families could not provide them with school supplies. It was wonderful to be able to give them the supplies that C2C provided. Also I believed that my students learned a lot about kindness and the generosity of others. It is a lesson that unfortunately my students rarely receive. Thank you for helping to teach them that even strangers can care about someone they have never even met. In my opinion it is an extremely important lesson.

Thank you,
Miss Mouser
